5. ACCOMMODATIONS

MAIN DECK AFT

The large, teak-covered Aft Deck features a dining table for twelve and a full wet-bar with seating for four guests.

MAIN SALON

Entering from the Aft Deck via two large electrically-operated sliding glass doors, the full-beam Main Salon features chic furniture with soft light upholstery. surround-sound music controlled by iPad. To starboard, there

is a large, gently-curved custom sofa and two upholstered swivel armchairs with a large oval coffee table between them. To port, there is a small coffee table with two arm chairs and a full wet-bar with movable stools for four guests. As with many areas of the yacht, the Main Salon offers an iPad controlled 65" Samsung Smart LED TV, with a surround sound theater system linked to Star Link Internet and on-demand Kaleidescape Ultra hi-definition Movie and Music Platform. There are useful cupboards and drawers on both the port and starboard sides.

DINING ROOM

The open Dining Room is located forward of the Main Salon and offers dining for up to twelve guests at an extendable glass table with armchair seating. On both the port and starboard sides of the Dining Room, directly under the panoramic windows are large credenzas containing all of the dishware, silverware, serving pieces, glasses, stemware and other dining accoutrements.

Going from the Salon/Dining area to the Master Suite on the port side, along a large marble-floored corridor there is an art deco-styled day head with sink and toilet, an air-conditioned A/V equipment room, entrance to the Galley and a storage room.

MASTER SUITE

The main deck full beam Master Suite has a king-size bed and his and hers ensuite bathrooms each with a large closet. Entering the suite via double doors, on the starboard side, there is a long counter with a built-in desk, a comfortable chair, a beverage center and a bank of 8 full-extension drawers. There's an iPad controlled 50" Samsung Smart LED TV, with a surround sound theater system in front of the bed above a chest of 8 drawers and 2 large cabinets. On both sides of the bed are "floating" bedside tables with 2 drawers in each. On the port side of the master directly under the two panoramic windows is long settee with end tables containing cabinets underneath.

Forward of the bedroom is a full-beam ensuite bathroom with both port and starboard side entrance doors. Each side has a toilet, a large vanity with sink, 3 drawers and 3 under-counter cabinets. There is an oversized free-standing bathtub on centerline forward and a separate circular shower room, aft.

GUEST STATEROOMS

Four luxurious Guest Staterooms that can sleep up to 12 guests, can be reached using the gently-curved staircase that leads down to the guest stateroom corridor with a washer/dryer room and a stewardess pantry.

There is a VIP guest stateroom with a queen-sized bed on the port side aft. There is a "family" guest stateroom with a double bed, a twin (single) bed and a Pullman fold-down berth on the starboard side aft. On the port side forward, there is a VIP guest stateroom with king-sized bed and another VIP guest stateroom with a queen-sized bed on the starboard side forward.

All of the guest staterooms have large settees, nightstands with drawers, cedar-lined closets, storage cabinets, lockable drawers, Anallon Beverage Centers and are served by an iPad controlled 43" Samsung Smart LED TV, with a surround sound theater system in front of the bed. All of the stateroom has Star Link internet and cellular access as well as the Kaleidescape Ultra hi-definition Movie and Music Platform.

All of the Guest Staterooms have very large, ensuite bathrooms, each with a sink, toilet, vanity, bank of drawers, cabinets and over-sized, marble-lined showers.

SKY (BOAT) DECK

The Sky (Boat) Deck) can be accessed by either a teak stairway from the aft deck or through a sliding glass door from the sky lounge. Once the tender and Sea Doo's are removed, another huge area becomes available for guests to enjoy lounge chairs for sunning and open-air activities or for parties. Located just aft of the sky lounge to port is a large L-shaped settee with several movable small tables for an informal gathering.

SUNDECK

The Sundeck boasts large comfortable sun pads surrounding a Jacuzzi for 7 guests. To port is a full wet bar with seating for 4 guests and forward the bar on centerline are two massive half-circle solid teak dining tables, separated by the centerline walkway each surrounded by comfortable seating for 6 guests. All the way forward on the centerline is a complete ship's steering and navigation station.

SKY LOUNGE

The Sky Lounge on the upper deck is accessed from the main deck via curved staircase or by the sliding glass door from the sky (boat) deck. The sky lounge has a full wet bar with very comfortable seating for 4 guests. The perfect area for relaxation and entertainment, featuring a fully commercial poker table with seating for 5 guests. Of course, the Sky Lounge offers an iPad controlled 70" Samsung Smart LED TV, with a surround sound theater system linked to Star Link Internet and on-demand Kaleidescape Ultra hi-definition Movie and Music Platform.

On the port side aft, is a very large and very comfortable custom-built sofa that easily seats 8 guests with matching upholstered ottomans for additional comfort. There is a large day head forward.

BRIDGE

The Bridge (wheelhouse) has 2 leather captain's Stidd chairs. An impressive array of five 21" monitors have recently been added to the navigation electronic equipment. To starboard is a comfortable elevated 6-person leather L-shaped settee to permit the best view of the horizon for guests who want to be in the front row and learn the secrets of navigating the seas. To starboard, is the radio and communications center and captain's navigation desk.

There are port and starboard watertight doors for access to their respective wing stations and a wrap-around Portuguese deck forward of the glass windscreen. On centerline from this area is a stairway access to the foredeck anchor handling area and the launching/retrieval of the Yamaha Spark jet-skis.

GALLEY/PANTRY

The main features of the Galley are a brand new True commercial side-by-side fridge freezer and a u-shaped stainless steel peninsula preparation area. There are also several refrigerator and freezer drawers, a multi-purpose Bosch 8-burner induction cooktop covered by a stainless steel Thermador extraction hood, double over/under ovens, a Jenn-Air dishwasher, 2 APW Wyott Food warmers, coffee machines and all the kitchen accessories necessary. On the centerline, aft of the galley is a half-circle seating area for 5-6 people. On the port side aft of the galley is a counter with sink with waste disposal, ideal for food setup or retrieval and an automatic door, activated by a foot pedal, to enter the dining area. Forward, towards the crew stairway is a large pantry and storage area.

CREW AREA

There are two separate Crew Areas. The main area is accessed from the galley. Going down the stairs on the port side forward of the galley, we enter the crew mess: a comfy space for the full crew to eat and relax during their free time. There is a large refrigerator / freezer, microwave, drawers and cupboards. A separate laundry room has a full-size Miele washer and drier, a folding table, hanging area, drawers and cupboards. On the centerline, forward of the crew mess is a corridor to the rest of the crew cabins (3 in total), the captain's cabin with a double berth, closet and ensuite and 2 cabins with bunk beds, closets, drawers, shelves and an ensuite with toilet, sink and shower.

The second crew area, designated for the chief engineer and 2nd engineer (or other crew member) is in the lazarette, directly aft of the engine and electrical rooms. Enter the lazarette from either the watertight transom door or from an access on the aft deck when underway. This area has 2 single bunk rooms sharing a full bathroom with shower. Opposite of the cabins is a large utility room and machine shop. Forward of the cabins is the chief's desk and electrical room.

15. COMMENTS

At 422-GT, CUPCAKE is one of the largest volume 40m motor yachts currently on the market. The 132' (40.23m) Tri-Deck Motor Yacht was built by WESTSHIP (Trident) and delivered in 2001.

CUPCAKE is a proven charter yacht with a fun, contemporary style, maximum interior and exterior space and new to the market at a very competitive asking price. CUPCAKE has a shallow draft of just 7' 5" (2.26m), ideal for cruising The Bahamas and accommodates 12 guests in 5 very well-appointed ensuite staterooms.

The on-deck full beam Master Stateroom with king-size bed boasts an ensuite with oversized bathtub and large separate shower.

Formal dining is served on a large extendable glass table seating up to 12 guests in the open plan main salon. Al fresco dining and a cocktail bar, perfect for happy hour, are found on both the main deck aft and on the sun deck.

Statement design details run throughout the yacht, with clean, light "Island" finishes and high-design furnishings to form a dramatic effect. Bright artifacts bring visually creative touches of color to a sophisticated cream and marble-clad interior. Reflective ceilings in the sky lounge and hallways reflect the natural light streaming through large windows, with a second bar well-positioned to enjoy aperitifs with a view.

However, the best seat in the house is in the six-person sundeck Jacuzzi, which is combined with wraparound seating, an impressive dining area and wet bar for sundowners. Dual stairs conveniently lead down to the swim platform where water activities rule the day.

CUPCAKE is offered to market as a proven excellent charter platform, with accommodation for up to 12 guests and 8 professional crew.

Zero speed stabilizers provide comfort at anchor.

This is an excellent opportunity for an owner to get a freshly refit, large volume, robust, turn-key GRP yacht at an attractive price. Let's go yachting!!
